

Career Opportunities

About Ryan

Ryan is the leading tax services firm in North America, with the largest transaction tax practice in the United States and Canada. Headquartered in Dallas, Texas, the Firm provides a comprehensive range of state, local, federal, and international tax advisory and consulting services on a multi-jurisdictional basis, including audit defense, tax recovery, credits and incentives, tax process improvement and automation, tax appeals, and strategic planning. With a multi-disciplinary team of more than 800 professionals and associates, Ryan serves many of the world's most prominent Fortune 1000 companies.

Duties and Responsibilities

Our consultants work in a variety of industries, so we seek individuals with curiosity and problem-solving abilities.

We assist brand-name clients like American Airlines, Inc., Chevron Corporation, The Goodyear Tire & Rubber Company, Valero Energy Corporation, and other Fortune 1000 companies with the reduction of their tax burdens.

Ryan employees work with client databases, learn tax laws, and communicate with clients and state auditors. Because we represent clients throughout North America and Europe, our consultants also travel about 30 to 35% of the time.

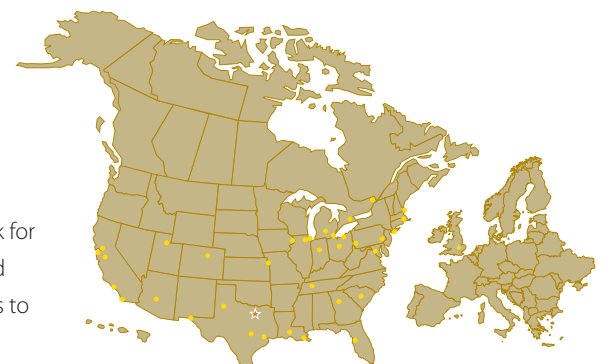

Qualifications

Our employees exhibit an entrepreneurial spirit and a desire to move ahead. We look for talented individuals with accounting and finance majors who seek responsibility and enjoy working to help build our Firm. As a consulting firm, we encourage employees to attain the CPA designation, but we do not require it for advancement.

Qualified candidates will have a strong business background and a history of extracurricular activities and work experience.

Employment and Internship Opportunities

Employment Information

Choosing a career path after school is one of your most important decisions. If you are looking for challenging work in a creative, rewarding environment, put Ryan at the top of your list.

Ryan is looking for recent college graduates interested in a dynamic career in tax services. The ideal candidate is results-oriented and professional, with strong leadership and interpersonal skills. New consultants will receive training and development to become the best tax professionals in the industry.

Internship Information

During an eight- to 12-week paid internship, Ryan interns get the same experience as our entry-level consultants, providing a realistic view of life at Ryan. Interns attend the same training sessions and work with highly visible corporate clients in a team-based environment.

Ryan consultants and interns receive extensive training in tax consulting because most students never take a course in this area.
